

**Uniform Requirements Directive (2008 – 2011)
for West Valley Comp and Select Teams**

WVYSL Constitution Article 4 Colors states:

“The representative colors of this League shall be maroon, white, and black. All Class 1 and Class 3 teams must wear uniforms with one, two, or all three colors in the uniform. All Class 1, Class 3 and Class 4 uniforms must bear the West Valley League logo on the left hand side of the shirt chest.”

West Valley Youth Soccer League has approved a standard identity uniform kit for all comp and select level teams. All new teams must conform immediately, and existing teams are encouraged to adopt immediately, or with their next uniform purchase, but in any event no later than Fall 2009. The league has negotiated special pricing and signed a commitment that will ensure the availability of the uniform through to 2011. Any team that does not adopt the uniform faces potential disciplinary action.

The kit includes:

Home Jersey	Xara Trafford
Away Jersey	Xara Anfield
Shorts	Xara Goodison
Socks (2 pair)	Xara Logo

The WVYSL logo will be in white on the Home (maroon uniform) on the center of the shirt chest. On the away (white) uniform the WVYSL logo will be in maroon on the left side of the shirt chest. Numbers (white on maroon, and maroon on white) will be located on the back of the shirts (8” high) and on the front of the shorts (4”, on the leg opposite to the Xara logo). The vendor is set up to provide a high resolution WVYSL logo and numbers in the appropriate style.

WVYSL DOES NOT recommend placing a player’s name on the back of the jersey out of security concerns for the children.

At its own discretion -- for example, a color clash or during high temperatures, which necessitate a cooler strip -- the team may choose to substitute the secondary (away) uniform for the primary (home). Teams may choose to use either the white or maroon socks. Also, numbering on the shorts is not mandatory (however, the pre-negotiated price includes adding a number to the shorts; the vendor will not provide refunds or a price adjustment if a team chooses to forgo numbering of the shorts).

Preferred Vendor (subject to performance specified in contract)

WVYSL has selected, and entered into a three-year agreement with Soccer International of Sunnyvale to be our uniform supplier. This agreement is subject to the vendor meeting its contractual obligations in terms of price, delivery, quality, etc. Individual kit pieces and any item from the XARA catalog will be available to West Valley teams, coaches and players (or families, for that matter) for 40% off list price. To obtain these prices, your order must be placed through your team coach or manager.

Contact: **SOCCER INTERNATIONAL**
 (Brian or Sandy)
 3270 Keller St # 105
 Santa Clara CA. 95054
 TEL: 408.727.KICK (5425)
 FAX: 408.727-6677

Our league price is only \$92.40 (before sales tax)

The fee includes the application of the WVYSL Logo and numbers.
